The Canada Pavilion at the Atlantic Superstore Festival of Lights

For immediate release

CHARLOTTETOWN, PRINCE EDWARD ISLAND, June 22, 2007 – The Canada Pavilion will be at the Atlantic Superstore Festival of Lights from June 29 to July 1, 2007. This is an opportunity for Canadians to learn more about the many programs and services offered by the Government of Canada and to meet representatives from several departments and agencies.

Focusing on the theme *Public Safety – Get Prepared*, the Canada Pavilion includes many interactive activities. For example, in the event of a natural disaster, do you have what you need to be self-sufficient for at least 72 hours? With the aid of videos, demonstrations and interactive displays such as the Hurricane Hologram, our representatives will explain how to get prepared. Learn about career opportunities in law enforcement, about precautions you should take when approached to support a particular charity, and much more. You can also meet our mascot *Bravo*, who will be around to entertain the young and young at heart.

Come and discover the federal programs and services available to you by visiting the Canada Pavilion at the Atlantic Superstore Festival of Lights.

The Canada Pavilion will stop at ten Canadian communities from coast to coast this year. As the flagship of the Government of Canada's Exhibitions Program, the Canada Pavilion has won a number of prizes and hosted more than six and a half million visitors since its creation in 2000.
